

Government of Bharat

Tender: AI-enabled Citizen Service Analytics Platform

Eligibility Criteria

Mandatory Criteria:

1. The bidder must have minimum 3 years of experience in AI, data analytics, or software implementation.
2. The bidder must have average annual turnover of INR 50 lakh during the last three financial years.
3. The bidder must have completed at least 2 similar projects for government, PSU, or large enterprise clients.
4. The bidder must hold valid GST registration.
5. ISO 9001 certification is required for quality management.
6. ISO 9001 certificate valid until 2026-12-31.
7. The bidder must not be blacklisted or debarred by any government department.
8. The bidder must have positive net worth as per latest audited financial statements.
9. Bid security valid until 2026-12-31.
10. Data residency: bidder must host and process tender data within India.
11. Technical proposal must describe a cloud-native AI analytics platform with API integration, role-based access control, and audit reporting.

Optional Criteria:

12. Optional: local language support in Hindi or regional language is desirable for officer-facing workflows.

Submission Requirements:

- A. Company profile may be submitted as typed PDF.
- B. Compliance declarations may be PDF or TXT.
- C. Technical proposal may be DOCX.
- D. Certificates or bid security may be scanned PDFs or photographs.
